

## REPORT TO CITY COUNCIL

**To: Honorable Mayor and Members of the City Council**

**From: Jason Simpson, City Manager**

**Prepared By: Remon Habib, City Engineer**

**Date: October 11, 2022**

**Subject: Professional Civil Engineering Services for Ardurra Group Inc. for the Design of Camino Del Norte Sewer Extension Project Z30016**

### **Recommendation**

Approve and authorize the City Manager to execute the Professional Services Agreement with Ardurra Group Inc. for professional design services for \$119,179.00, plus an additional 10% contingency for unforeseen expenditures, and in such final form as approved by the City Attorney.

### **Background**

The contract will authorize Ardurra Group Inc. to start the final design for the Camino Del Norte Sewer Extension Project. The final plans will extend the sewer main to the future Elsinore Hills Road/Camino Del Norte intersection. The design work will be performed in collaboration with Elsinore Valley Municipal Water District (EVMWD).

### **Discussion**

Ardurra Group Inc. will provide 100% final engineering design and hydraulic verification calculations to construct a 1,225 linear foot sewer extension within Camino Del Norte. Final alignment to be determined at 30% design level. Scope of work will also include surveying, utility studies, geotechnical services, and Project Specifications. The Project will provide future sewer connectivity to development projects along the Camino Del Norte corridor.

### **Fiscal Impact**

The Professional Services Contract will cost \$119,179.00, provided by the American Rescue Plan Act of 2021.

### **Exhibits**

- A – Agreement
- B – Proposal
- B – Project Limits
