

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Jason Simpson, City Manager

Prepared By: Remon Habib, City Engineer

Date: November 8, 2022

Subject: Professional Services Agreement for LOR Geotechnical Group Inc., for the Collier Avenue, Minthorn Street, and Rancho La Laguna for Local Streets Pavement Rehabilitation Project Z10014

Recommendation

Approve and authorize the City Manager to execute a Professional Services Agreement with LOR Geotechnical Group Inc., for the Collier Avenue, Minthorn Street, and Rancho La Laguna for Local Streets Pavement Rehabilitation Project Z10014, for \$53,965 plus a 10% contingency.

Background

The City of Lake Elsinore solicited a Request for Proposal (RFP) for geotechnical services to be performed on Collier Avenue, Minthorn Street, and Rancho La Laguna for Local Streets Pavement Rehabilitation Project Z10014. On October 12, 2022, a proposal was received from LOR Geotechnical Group Inc. for geotechnical services. The City will award the contract on November 9, 2022, to perform pavement grind and overlay, slurry, traffic striping, and other repairs as shown on the improvement plans.

Discussion

LOR Geotechnical Group Inc. will provide geotechnical services, material testing, and inspection services per the project specifications. Services include aggregate testing, asphalt mix testing, compaction testing, asphalt gradation, and slurry wet track abrasion tests per project specifications.

Fiscal Impact

Funding for this project has been allocated under the City's adopted FY2022-2023 Capital Improvement Program.
