

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Jason Simpson, City Manager

Prepared By: Remon Habib, City Engineer

Date: September 27, 2022

Subject: Professional Engineering Services to Provide Final PS&E for the Murrieta Creek Multi-Use Trail Project

Recommendation

Approve and Authorize the City Manager to execute an Agreement for Professional Engineering Services in the amount of \$565,943.83 with CR Associates, Inc., plus an additional 10% contingency, in final form as approved by City Attorney.

Background

The Agreement will authorize Chen Ryan Associates to start final plans, specifications, and estimates (PS&E) for the Murrieta Creek Multi-Use Trail.

The Murrieta Creek Trail is a multi-jurisdiction, active transportation trail consistent with the City's General Plan and Eastlake Specific Plan adopted in 2017. The proposed Murrieta Multi-Use Trail extends between Skylark Drive and the Lake Levee Trail.

Discussion

CR Associates will provide engineering services necessary for CEQA documentation and preferred trail alignment connecting the Palomar Trail to the Lake Levee Trail. The engineering services will include producing final construction plans, specifications, and estimates, drainage reports, geotechnical investigations, and transportation guidance documents; providing right-of-way support such as property owner outreach, producing legal descriptions and plats, and appraisal coordination, and providing environmental support such developing fencing and signage plans and securing permits through the regulatory agencies.

Fiscal Impact

Professional Engineering Services Agreement will result in a cost of \$565,943.83 plus an additional 10% contingency. This work has been programmed in the City's CIP budget.
