RAD 2021-1 (CANYON HILLS)

Background

The City is required by the County of Riverside to provide a certified Resolution to the Auditor/Controller's office each year to confirm the special tax and assessment levies within each Community Facilities District (CFD) and Assessment District (AD) for the annual property tax roll.

Discussion

The FY 2022-23 budgets for each CFD and AD are comprised of bond debt service payments, administrative costs, service costs, and/or collection for construction of future facilities. In addition, for those CFDs that have bond debt, the Mello-Roos Act authorizes the increase of the CFD tax by 10% for projected future delinquencies. To make sure funds are available to pay the required bond debt service payment on the bonds, the levy for each CFD with bond debt has been increased based on the anticipated property tax delinquency rate within each respective CFD.

The table on the following page shows the annual levy amount needed for each district to cover district obligations for FY 2022-23.

**CITY OF LAKE ELSINORE

The table below shows the annual levy amount needed for the Reassessment District 2021-1 to cover district obligations for FY 2022-23.

District	Name	Fund No.	Parcels	FY 2022-23 Levy
RAD 2021-1	Canyon Hills	68-2369-FC	3,473	\$1,999,464.06

Fiscal Impact

There is no fiscal impact directly associated with this item. The County of Riverside requires the resolutions as confirmation for the special tax amounts so there is a paperwork trail for them. The special taxes have already been established by Ordinance to ensure the authority for assessment and collection as required by the investors and bondholders for the CFD and AD bond proceeds. The City charges administrative fees and an amount sufficient to cover direct costs as well as the required bond debt service principal and interest payments, as required by the bond indentures to the various special districts.
