

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Jason Simpson, City Manager

Prepared By: Remon Habib, City Engineer

Date: June 28, 2022

Subject: SB-1 Main Street Pavement Resurfacing Project Fiscal Year 2022-23

Recommendation

Adopt A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAKE ELSINORE, CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR THE FISCAL YEAR 2022-2023 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

Background

Bucknam Infrastructure Group, Inc. performed a Pavement Assessment in 2021. Based on their pavement condition survey, the pavement condition indexes were rated on a scale from 0 to 100, depicting the condition of the existing pavement. The following are resurfacing recommendations based on the pavement condition:

- Reconstruction
- AC Grind and Overlay
- Slurry Seal / Cape Seal

Discussion

The Main Street pavement resurfacing project will include an AC grind and overlay. The following areas for the project are as follows:

	Street Name	From	To	Treatment
1	Main Street	South of I-15 SB Ramps	Lakeshore Drive	AC Grind and Overlay

The estimated cost for the Main Street resurfacing is \$1,476,128. The projects from the above list will go out to bid once SB-1 funding is secure. The City of Lake Elsinore's projected SB-1 allocation for FY 2021-2022 is \$1,434,098.

Fiscal Impact

The funding allocation for the Main Street Pavement Resurfacing Project will be from the available SB-1 funds, with the remainder being funded from Measure A funds.
