Subject: Protest Letter - Citywide LMD Public Hearing 6 12 2018

Grant -

Attached is the letter from Mr. Pribble from today's mail and will be placed as part of the City's record. There is a public hearing tomorrow evening and staff discuss the letter with David Mann and I offer *Staff's review of the attached protest letter*:

- The LLMD engineers' report has correctly exempted "designated open space." Mr. Pribble's land is not "designated" as open space because it's zoning allows commercial use (with a CUP), which is what he wants.

The attached letter should be forwarded to City Council and City Clerk as part of the City's record tomorrow evening.

Sincerely,

Jason Simpson
