## **EXHIBIT "R"**

(Page 1 of 6)

### **24 C.F.R. § 5.109**

#### **Equal participation of faith-based organizations in HUD programs and activities.**

**Effective: May 4, 2016**

**(a) Purpose.**

Consistent with Executive Order 13279 (issued on December 12, 2002, 67 FR 77141), entitled "Equal Protection of the Laws for Faith-Based and Community Organizations," as amended by Executive Order 13559 (issued on November 17, 2010, 75 FR 71319), entitled "Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations," this section describes requirements for ensuring the equal participation of faith-based organizations in HUD programs and activities. These requirements apply to all HUD programs and activities, including all of HUD's Native American Programs, except as may be otherwise noted in the respective program regulations in title 24 of the Code of Federal Regulations (CFR), or unless inconsistent with certain HUD program authorizing statutes.

**b) Definitions. The following definitions apply to this section:**

Direct Federal financial assistance means Federal financial assistance provided when a Federal Government agency or an intermediary, as defined in this section, selects the provider and either purchases services from that provider (i.e., via a contract) or awards funds to that provider to carry out an activity (e.g., via grant, sub-grant, sub-award, or cooperative agreement). The recipients of sub-grants or sub-awards that receive Federal financial assistance through State-administered programs (e.g., flow-through programs) are considered recipients of direct Federal financial assistance. In general, Federal financial assistance shall be treated as direct, unless it meets the definition of indirect Federal financial assistance.

Federal financial assistance means assistance that non-Federal entities receive or administer in the forms of grants, contracts, loans, loan guarantees, property, cooperative agreements, food commodities, direct appropriations, or other assistance, but does not include a tax credit, deduction, or exemption.

Indirect Federal financial assistance means Federal financial assistance provided when the choice of the provider is placed in the hands of the beneficiary, and the cost of that service is paid through a voucher, certificate, or other similar means of Government-funded payment. Federal financial assistance provided to an organization is considered indirect when the Government program through which the beneficiary receives the voucher, certificate, or other similar means of Government-funded payment is neutral

**EXHIBIT "R"**

(Page 2 of 6)

toward religion; the organization receives the assistance as a result of a decision of the beneficiary, not a decision of the Government; and the beneficiary has at least one adequate secular option for the use of the voucher, certificate, or other similar means of Government-funded payment.

Intermediary means an entity, including a nongovernmental organization, acting under a contract, grant, or other agreement with the Federal Government or with a State, tribal or local government that accepts Federal financial assistance and distributes that assistance to other entities that, in turn, carry out activities under HUD programs.

(c) Equal participation of faith-based organizations in HUD programs and activities.

Faith-based organizations are eligible, on the same basis as any other organization, to participate in HUD programs and activities. Neither the Federal Government, nor a State, tribal or local government, nor any other entity that administers any HUD program or activity, shall discriminate against an organization on the basis of the organization's religious character or affiliation, or lack thereof. In addition, decisions about awards of Federal financial assistance must be free from political interference or even the appearance of such interference and must be made on the basis of merit, not based on the religious character or affiliation, or lack thereof, of an organization.

(d) Separation of explicitly religious activities from direct Federal financial assistance.

(1) A faith-based organization that applies for, or participates in, a HUD program or activity supported with Federal financial assistance retains its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use direct Federal financial assistance that it receives (e.g., via contract, grant, sub-grant, sub-award or cooperative agreement) to support or engage in any explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization), or in any other manner prohibited by law.

(2) A faith-based organization that receives direct Federal financial assistance may use space (including a sanctuary, chapel, prayer hall, or other space) in its facilities (including a temple, synagogue, church, mosque, or other place of worship) to carry out activities under a HUD program without removing religious art, icons, scriptures, or other religious symbols. In addition, a faith-based organization participating in a HUD program or activity retains its authority over its internal governance, and may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

**EXHIBIT "R"**

(Page 3 of 6)

(e) Explicitly religious activities.

If an organization engages in explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization), the explicitly religious activities must be offered separately, in time or location, from the programs or activities supported by direct Federal financial assistance and participation must be voluntary for the beneficiaries of the programs or activities that receive direct Federal financial assistance.

(f) Intermediary responsibilities to ensure equal participation of faith-based organizations in HUD programs.

If an intermediary—acting under a contract, grant, or other agreement with the Federal Government or with a State, tribal or local government that is administering a program supported by Federal financial assistance—is given the authority to select a nongovernmental organization to receive Federal financial assistance under a contract, grant, sub-grant, sub-award, or cooperative agreement, the intermediary must ensure that such organization complies with the requirements of this section. If the intermediary is a nongovernmental organization, it retains all other rights of a nongovernmental organization under the program's statutory and regulatory provisions.

(g) Beneficiary protections.

Faith-based organizations that carry out programs or activities with direct Federal financial assistance from HUD must give written notice to beneficiaries and prospective beneficiaries of the programs or activities describing certain protections available to them, as provided in this subsection. In addition, if a beneficiary or prospective beneficiary objects to the religious character of the organization carrying out the programs or activities, that organization must promptly undertake reasonable efforts to identify and refer the beneficiary or prospective beneficiary to an alternative provider to which the beneficiary or prospective beneficiary has no such objection.

(1) Written notice. The written notice must state that:

(i) The organization may not discriminate against a beneficiary or prospective beneficiary on the basis of religion, religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice;

(ii) The organization may not require beneficiaries to attend or participate in any explicitly religious activities that are offered by the organization, and any participation by beneficiaries in such activities must be purely voluntary;

**EXHIBIT "R"**

(Page 4 of 6)

(iii) The organization must separate, in time or location, any privately funded explicitly religious activities from activities supported by direct Federal financial assistance;

(iv) If a beneficiary objects to the religious character of the organization, the organization must undertake reasonable efforts to identify and refer the beneficiary to an alternative provider to which the beneficiary has no such objection; and

(v) Beneficiaries or prospective beneficiaries may report an organization's violation of these protections, including any denial of services or benefits by an organization, by contacting or filing a written complaint to HUD or the intermediary, if applicable.

(2) Timing of notice. The written notice must be given to prospective beneficiaries before they enroll in any HUD program or activity. When the nature of the program or activity or exigent circumstances make it impracticable to provide the written notice in advance, the organization must provide written notice to beneficiaries of their protections at the earliest available opportunity.

(3) Referral requirements.

(i) If a beneficiary or prospective beneficiary of a program or activity that receives direct Federal financial assistance from HUD objects to the religious character of an organization that carries out the program or activity, that organization must promptly undertake reasonable efforts to identify and refer the beneficiary or prospective beneficiary to an alternative provider to which the beneficiary or prospective beneficiary has no such objection.

(ii) A referral may be made to another faith-based organization, if the beneficiary or prospective beneficiary has no objection to that provider based on the provider's religious character. But if the beneficiary or prospective beneficiary requests a secular provider, and a secular provider is available, then a referral must be made to that provider.

(iii) Except for activities carried out by telephone, Internet, or similar means, the referral must be to an alternative provider that is in reasonable geographic proximity to the organization making the referral and that carries out activities that are similar in substance and quality to those offered by the organization. The alternative provider also must have the capacity to accept additional beneficiaries.

(iv) If the organization determines that it is unable to identify an alternative provider, the organization shall promptly notify the intermediary or, if there is no intermediary, HUD. If HUD or an intermediary is notified that an organization is unable to identify an alternative provider, HUD or the intermediary, as appropriate, shall promptly determine

## EXHIBIT "R"

(Page 5 of 6)

whether there is any other suitable alternative provider to which the beneficiary or prospective beneficiary may be referred. An intermediary that receives a request for assistance in identifying an alternative provider may request assistance from HUD.

### (4) Recordkeeping.

A faith-based organization providing a referral under paragraph (g)(3) of this section must document a beneficiary or prospective beneficiary's request for a referral, whether the beneficiary or prospective beneficiary was referred to another provider, to which provider the beneficiary or prospective beneficiary was referred, and if the beneficiary or prospective beneficiary contacted the alternative provider, unless the beneficiary or prospective beneficiary requests no follow up.

### (h) Nondiscrimination requirements.

Any organization that receives Federal financial assistance under a HUD program or activity shall not, in providing services or carrying out activities with such assistance, discriminate against a beneficiary or prospective beneficiary on the basis of religion, religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice. However, this section does not require any organization that only receives indirect Federal financial assistance to modify its program or activities to accommodate a beneficiary that selects the organization to receive indirect aid.

### (i) Exemption from Title VII employment discrimination requirements.

A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, set forth in section 702(a) of the Civil Rights Act of 1964 (42 U.S.C. 2000e-1), is not forfeited when the organization participates in a HUD program. Some HUD programs, however, contain independent statutory provisions that impose certain nondiscrimination requirements on all grantees. Accordingly, grantees should consult with the appropriate HUD program office to determine the scope of applicable requirements.

### (j) Acquisition, construction, and rehabilitation of structures.

Direct Federal financial assistance may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under a HUD program or activity. Where a structure is used for both eligible and explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization), direct Federal financial assistance may not exceed the cost of the share of acquisition, construction, or rehabilitation attributable to eligible activities in accordance with the cost accounting requirements applicable to

## EXHIBIT "R"

(Page 6 of 6)

the HUD program or activity. However, acquisition, construction, or rehabilitation of sanctuaries, chapels, or other rooms that a HUD-funded faith-based organization uses as its principal place of worship, may not be paid with direct Federal financial assistance. Disposition of real property by a faith-based organization after its use for an authorized purpose, or any change in use of the property from an authorized purpose, is subject to Government-wide regulations governing real property disposition (2 CFR part 200, subpart D) and the HUD program regulations, as directed by HUD.

k) Commingling of Federal and State, tribal, and local funds.

If a State, tribal, or local government voluntarily contributes its own funds to supplement direct Federal financial assistance for an activity, the State, tribal or local government has the option to segregate those funds or commingle them with the direct Federal financial assistance. However, if the funds are commingled, the requirements of this section apply to all of the commingled funds. Further, if a State, tribal, or local government is required to contribute matching funds to supplement direct Federal financial assistance for an activity, the matching funds are considered commingled with the direct Federal financial assistance and, therefore, subject to the requirements of this section. Some HUD programs' requirements govern any activity assisted under those programs. Accordingly, recipients should consult with the appropriate HUD program office to determine the scope of applicable requirements.

**Economic Opportunities for Section 3 Residents  
and Section 3 Business Concerns**

**Sec. 135.38 Section 3 clause.**

All section 3 covered contracts shall include the following clause (referred to as the Section 3 clause):

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C.A. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

## **EXHIBIT "S"**

Page 2 of 2

A. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

B. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

C. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

D. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

**EXHIBIT "AFR"****Additional Federal Requirements**

Whereas, the work under this Agreement is subject to applicable Federal, State, and local laws and regulations, including but not limited to the regulations pertaining to the Community Development Block Grant (24 CFR Part 570) and the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (2 CFR 200). All contractors, sub-contractors, consultants, and sub-consultants agree to comply with, and are subject to, the following Federal requirements (if applicable):

1. **Equal Employment Opportunity:** Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity", as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor Regulations (41 CFR chapter 60). The SUBRECIPIENT will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. SUBRECIPIENT will ensure that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin. The SUBRECIPIENT will take affirmative action to ensure that applicants are employed and the employees are treated during employment, without regard to their race color, religion, sex, or national origin. Such actions shall include, but are not limited to, the following: employment, up-grading, demotion, or transfer; recruitment or recruitment advertising; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The SUBRECIPIENT agrees to post in a conspicuous place, available to employees and applicants for employment, notices to be provided by the County setting forth the provisions of this non-discrimination clause;
2. **Copeland "Anti-Kickback" Act (18 U.S.C. Section 874 and 40 U.S.C.A. Section 3145):** All contracts and subgrants in excess of \$2,000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. Section 874), as supplemented by Department of Labor Regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States") ("ACT"). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to HUD.
3. **Davis-Bacon Act, as amended (40 U.S.C.A. Section 3141-3148):** When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than \$2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C.A. Section 3148) and as

**EXHIBIT "AFR"**

supplemented by Department of Labor Regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). Under the Davis Bacon Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the U.S. Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the U.S. Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to HUD.

1. **Contract Work Hours and Safety Standards Act (40 U.S.C.A. 3701-3708):** Where applicable, all contracts awarded by SUBRECIPIENT in excess of \$2,000 for construction contracts and in excess of \$2,500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with the Contract Work Hours and Safety Standards (40 U.S.C.A. 3701-3708), as supplemented by Department of Labor Regulations (29 CFR Part 5). Under Section 40 U.S.C.A. 3702, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard workweek of 40 hours. Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than 1 1/2 times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. 40 U.S.C.A. 3704 is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
2. **Rights to Inventions Made Under a Contract or Agreement:** Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by HUD.
3. **Rights to Data and Copyrights:** Contractors and consultants agree to comply with all applicable provisions pertaining to the use of data and copyrights pursuant to 48 CFR Part 27.404-3, Federal Acquisition Regulations (FAR).
4. **Air Pollution and Control (formally known as the Clean Air Act) (42 U.S.C.A. 7401 et seq.) and the Federal Water Pollution Control Act (33 U.S.C.A. Section 1251 et seq.), as amended:** Contracts and subgrants of amounts in excess of \$100,000 shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the *Clean Air Act* (42 U.S.C.A. 7401 et seq.) and the *Federal Water Pollution*

**EXHIBIT "AFR"**

*Control Act* as amended (33 U.S.C.A. Section 1251 et seq.). Violations shall be reported to HUD and the Regional Office of the Environmental Protection Agency (EPA).

5. **Anti-Lobbying Certification (31 U.S.C.A. 1352):** The language of the certification set forth in this paragraph below shall be included in all contracts or subcontracts entered into in connection with this grant activity and all SUBRECIPIENTS shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C.A. Section 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and no more than \$100,000 for such failure.

"The undersigned certifies, to the best of his or her knowledge or belief, that:

No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant loan or cooperative agreement, he/she will complete and submit Standard Form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions."

9. **Debarment and Suspension (Executive Orders (E.O.) 12549 and 12689):** No contract shall be made to parties listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension," as set forth at 2 CFR Part 2424. This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding its exclusion status and that of its principal employees.
10. **Drug-Free Workplace Requirements:** The Anti-Drug Abuse Act of 1988 (41 U.S.C.A. Section 8101-8103) requires grantees (including individuals) of federal

**EXHIBIT "AFR"**

agencies, as a prior condition of being awarded a grant, to certify that they will provide drug-free workplaces. Each potential recipient must certify that it will comply with drug-free workplace requirements in accordance with the Act and with HUD's rules at 2 CFR Part 2424.

11. **Access to Records and Records Retention:** The Consultant or Contractor, and any sub-consultants or sub-contractors, shall allow all duly authorized Federal, State, and/or County officials or authorized representatives access to the work area, as well as all books, documents, materials, papers, and records of the Consultant or Contractor, and any sub-consultants or sub-contractors, that are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts, and transcriptions. The Consultant or Contractor, and any sub-consultants or sub-contractors, further agree to maintain and keep such books, documents, materials, papers, and records, on a current basis, recording all transactions pertaining to this agreement in a form in accordance with generally acceptable accounting principles. All such books and records shall be retained for such periods of time as required by law, provided, however, notwithstanding any shorter periods of retention, all books, records, and supporting detail shall be retained for a period of at least four (4) years after the expiration of the term of this Agreement.
10. **Federal Employee Benefit Clause:** No member of or delegate to the congress of the United States, and no Resident Commissioner shall be admitted to any share or part of this agreement or to any benefit to arise from the same.
11. **Energy Efficiency:** Mandatory standards and policies relating to energy efficiency which are contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94 - 163, Dec. 22, 1975; 42 U.S.C.A. Section 6201, et seq., 89 Stat. 871).
12. **Procurement of Recovered Materials (2 CFR 200.322.):** A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with 42 U.S.C. Section 6962 of the Solid Waste Disposal Act (42 U.S.C.A. Section 6901, et seq.), as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
