2. That the City Council authorize the City Clerk to sign the map and arrange for the recordation of Final Map No. 31920-19.

Background

This is a part of the Summerly community. The proposed Final Map No. 31920-19 consists of 10.170 acres. Included are 58 residential lots, 3 lots for public right of way, and 4 landscaping/wall lots. The average lot size in this neighborhood is 6,100 square feet. The proposed streets will be public and the landscaping/wall maintenance will be provided by the HOA. All future public improvements have been secured.

Discussion

Staff has reviewed the Final Map and determined that it is in substantial conformance to Tentative Tract Map No. 31920-19 and that all Conditions of Approval relative to the Final Map approval have been completed.

Fiscal Impact

Public improvements are to be constructed by the developer. The surety is sufficient for the City to complete the construction if needed. Staff time was utilized to prepare the documents.
