

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Grant Yates, City Manager

Prepared By: Farid Dost, Sr. Civil Engineer

Date: October 23, 2018

Subject: Professional Services Agreement for GeoMat Testing Laboratories, Inc. for the Camino Del Norte Improvement Project CIP No. Z10030

Recommendation

Approve and Authorize the City Manager to execute a Professional Services Agreement to GeoMat Testing Laboratories, Inc., for construction geotechnical services for the Camino Del Norte Improvement Project in the amount of \$86,900 with a 10% contingency of \$8,690 not to exceed \$95,590, in final form as approved by City Attorney.

Background

This project includes the realignment of Canyon Estates Drive and the extension of Camino Del Norte. The limits of the realignment/extension are from 500 feet south of Franklin Street to 1,200 feet south of Main Street. The Camino Del Norte Improvement Project consists of constructing new roadway; drainage cross culverts and inlets; sidewalks, curb and gutter; and a traffic signal at the intersection of Canyon Estate Drive-Camino Del Norte at Franklin Street intersection.

Discussion

The Camino Del Norte Improvement Project is 5,000 linear feet of new roadway improvements on Camino Del Norte and extending into portions of Canyon Estates Drive, Franklin Street, Canyon View Drive and Sagecrest. GeoMat Testing Laboratories, Inc., will provide geotechnical services including all the resources to perform the necessary soil sampling per Caltrans Construction Manual and 2012 Greenbook, soil testing, aggregate testing, asphalt mix testing, testing of pipe bedding material, and compaction testing in accordance with the scope of work assigned.

Fiscal Impact

Funding for this project has been allocated under the City's adopted CIP FY18-19 for Camino Del Norte.
