### **Staff Comments**

Senior Civil Engineer Dost shared that the City is now preparing for the rain and any possible flooding due to the Holy Fire.

Commissioner Williams asked if anything was going to be presented to the Commission and if the Commissioners were going to be involved with preparations of the rains and emergency response?

Senior Civil Engineer Dost informed Commissioner Williams that he will find out.

### **Commissioners' Comments**

Commissioner Miller thanked the City for the outstanding job on the Holy Fire, shared he was one of the ones evacuated, and; stated school safety needs to be addressed before someone gets hurt.

Chair Stewart stated the improvements that were made to improve traffic flow are no longer working, and asked if there should be a Subcommittee put together to try to help with the issues?

Commissioner Hendley stated the first week of school there was police presences and many parents received tickets. She believes the schools need that intermittence of the police presence to help with some of the issues.

Chair Stewart stated the Commission needs to work with the Police Department for the school issues.

Senior Civil Engineer Dost stated he will speak with Chief Anne and ask him to come speak with the Commission.

Vice-Chair Carlos commented that you need to be patient when driving during school traffic.

Commissioner Williams recommends to visit [www.rivcoready.org](http://www.rivcoready.org) and [www.ready.gov](http://www.ready.gov) to prepare yourself for emergencies and financial planning, and; stated she would like to attend the 9-week training in Palm Springs.

Commissioner Hendley expressed her gratitude to all the first responders on the amazing job, and to the School District; stated there will be a phone installed at the Lakeside High School pool area for the Aquatic Program which is ran by Recreation Supervisor Davis to use.

Vice-Chair Carlos mentioned that Chief Anne would like to have a couple of the Commissioners at the Indio event.

Chair Stewart gave kudos to Senior Civil Engineer Dost for the great job on the parking lot across the street, to the City Council Members for the coordination with the first responders, and the updates on the fire, to all City staff, and; advised that all Commissioners get CERT trained.

### **Adjournment**
