NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAKE ELSINORE, ACTING AS THE LEGISLATIVE BODY OF COMMUNITY FACILITIES DISTRICT NO. 2015-1 (SAFETY SERVICES) HEREBY FINDS, DETERMINES, RESOLVES, AND ORDERS AS FOLLOWS:

Section 1. Recitals. Each of the above recitals is true and correct.

Section 2. Intent to Annex. The City Council declares its intention to conduct proceedings pursuant to the Act for the annexation to the District of the Annexation Territory.

Section 3. Description of Territory Proposed to be Annexed, Annexation Map. The map showing the original boundaries of the District designated as "Map of Proposed Boundaries of Community Facilities District No. 2015-1 of the City of Lake Elsinore (Safety Services)," which map is on file in the office of the City Clerk and was recorded pursuant to Sections 3111 and 3113 of the Streets and Highways Code in the City of County Book of Maps of Assessment and Community Facilities Districts in the Assessor-County Clerk-Recorder's office of the County of Riverside in Book No. 79 Page No. 45-46, on March 14, 2016 as Instrument No. 2016-00978338.

The boundaries of the Annexation Territory proposed to be annexed to the District and be made subject to taxation are as shown on the annexation map set forth in Exhibit "D" hereto (the "Boundary Map"). The City Clerk is hereby directed to sign the boundary map and record it with

all proper endorsements thereon with the County Recorder of the County of Riverside within 15 days after the adoption of this resolution, all as required by Section 3111 of the Streets and Highways Code of the State of California.

Section 4. Description of Authorized Services. The Services (as defined in the Rate and Method) proposed to be provided for the benefit of the Annexation Territory are public services as defined in the Act, and this City Council finds and determines that the Services to be financed are in addition to those provided in the territory the Annexation Territory, at the present time and do not supplant services already available within the Annexation Territory at the present time. The City Council hereby finds and determines that the description of the Services herein is sufficiently informative to allow taxpayers within the Annexation Territory, to understand what the funds of the District may be used to finance. The Services Incidental Expenses (as defined in the Rate and Method) expected to be incurred within the Annexation Territory are set forth in the Rate and Method. The amount and term of the special tax to be levied by the District within the Annexation Territory and the Services to be provided by the District within the Annexation Territory shall be identical to those within the original boundaries of the District.

Section 5. Levy of Special Taxes. Except where funds are otherwise available, it is the intention of the City Council to levy annually in accordance with the procedures contained in the Act a separate special tax, secured by recordation of a continuing lien against all nonexempt real property in the Annexation Territory, sufficient to pay for the Services and the Services Incidental Expenses. The rate and method of apportionment and manner of collection of the special taxes set forth in Exhibit "C" allows each homeowner within the Annexation Territory to estimate the maximum amount that may be levied against each parcel.

The special taxes for Services may be increased based on the consumer price index by an amount not to exceed four percent (4%) per year to the extent permitted in the Rate and Method. The special tax for Services may be levied for such period as the Services are needed, as further described in Exhibit "B" hereto.

The special taxes are based on the expected demand that each parcel of real property within the Annexation Territory will place on the Services. The City Council hereby determines that the proposed Services are necessary to meet the increased demand placed upon the City and the existing police, fire, rescue and paramedic services in the City as a result of the development of the land proposed for annexation to the District. The City Council hereby determines the rate and method of apportionment of the special taxes set forth in Exhibit "C" to be reasonable. The special tax is apportioned to each parcel on the foregoing basis pursuant to Section 53325.3 of the Act and such special taxes are not on or based upon value or ownership of real property.

Section 6. Public Hearing. A public hearing (the "Hearing") on the annexation of the Annexation Territory to the District, the levy of the special tax within the Annexation Territory in accordance with the Rate and Method to finance the Services shall be held at 7:00 p.m., or as soon thereafter as practicable, on March 26, 2019, at the City Cultural Center, 183 North Main Street, Lake Elsinore, California. Should the City Council determine to annex the Annexation Territory to the District, a special election will be held to authorize the levy of the special taxes in accordance with the procedures contained in Government Code Section 53326. If held, the proposed voting procedure at the election will be a landowner vote with each landowner who is the owner of record of land within Annexation Territory at the close of the Hearing, or the authorized representative thereof, having one vote for each acre or portion thereof owned within the Annexation Territory.
