

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Grant Yates, City Manager

Prepared By: Remon Habib, City Engineer

Date: March 12, 2019

Subject: Award of Construction Agreement to Riverside Construction Company, Inc., for the Larson Road Emergency Repairs

Recommendation

Authorize the City Manager to award a contract to perform emergency repairs to restore Larson Road in the amount of \$76,550.00 plus an additional 20% contingency (\$15,310) to Riverside Construction Company, Inc., in compliance with LEMC Section 3.12.040.A. and authorize the City Manager to execute the Contract in such final form as approved by the City Attorney.

Background

During the February 14, 2019 storm event, Larson Road suffered severe damage, which caused access to four homes to be cut off. In accordance with the informal bid procedures of LEMC Chapter 3.12, the City solicited bids from three construction companies to perform emergency repairs to place drainage pipes and restore the roadway surface to a passable condition. The bids received were:

Riverside Construction	\$ 76,550.00
Weka Construction	\$199,281.00
Edmonson	\$150,000.00

Discussion

The work required includes clearing existing damage and debris, placing HDPE pipes to allow drainage under the road and restore the surface of the road so motorists can access homes. Work also includes mobilization, clearing and removal, re-establishing the channel, and Rock Slope protection.

Fiscal Impact

The fiscal Impact is \$91,860.000, including contingency.
