Access to such records and documents shall be granted to any party authorized by Contractor, Contractor's representatives, or Contractor's successor-in-interest.

8. Independent Contractor. It is understood that Contractor, in the performance of the work and services agreed to be performed, shall act as and be an independent contractor and shall not act as an agent or employee of the City.

9. PERS Eligibility Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other federal, state and local laws, codes, ordinances and regulations to the contrary, Contractor and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

10. Interests of Contractor. Contractor (including principals, associates and management employees) covenants and represents that it does not now have any investment or interest in real property and shall not acquire any interest, direct or indirect, in the area covered by this Agreement or any other source of income, interest in real property or investment which would be affected in any manner or degree by the performance of Contractor's services hereunder. Contractor further covenants and represents that in the performance of its duties hereunder no person having any such interest shall perform any services under this Agreement.

Contractor is not a designated employee within the meaning of the Political Reform Act because Contractor:

a. will conduct research and arrive at conclusions with respect to his/her rendition of information, advice, recommendation or counsel independent of the control and direction of the City or of any City official, other than normal agreement monitoring; and

b. possesses no authority with respect to any City decision beyond rendition of information, advice, recommendation or counsel. (FPPC Reg. 18700(a)(2).)

11. Ability of Contractor. City has relied upon the training and ability of Contractor to perform the services hereunder as a material inducement to enter into this Agreement. Contractor shall therefore provide properly skilled personnel to perform all services under this Agreement. All work performed by Contractor under this Agreement shall be in accordance with applicable legal requirements and shall meet the standard of quality ordinarily to be expected of competent contractors in Contractor's field of expertise.

12. Compliance with Laws. Contractor shall use the standard of care in its profession to comply with all applicable federal, state and local laws, codes, ordinances and regulations.

13. Licenses. Contractor represents and warrants to City that it has the licenses, permits, qualifications, insurance and approvals of whatsoever nature which are legally required of Contractor to practice its profession. Contractor represents and warrants to City that Contractor shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement, any licenses, permits, insurance and approvals which are legally required of Contractor to practice its profession. Contractor shall maintain a City of Lake Elsinore business license.

14. Indemnity. Contractor shall indemnify, defend, and hold harmless the City and its officials, officers, employees, agents, and volunteers from and against any and all losses, liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to property, or any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by the willful misconduct or negligent acts or omissions of Contractor or its employees, subcontractors, or agents, by acts for which they could be held strictly liable, or by the quality or character of their work. The foregoing obligation of Contractor shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises from the sole negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Contractor or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold

harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

15. Insurance Requirements.

In addition, Contractor shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California for all of the subcontractor's employees. Any notice of cancellation or non-renewal of all Workers' Compensation policies must be received by the City at least thirty (30) days prior to such change. The insurer shall agree to waive all rights of subrogation against City, its officers, agents, employees and volunteers for losses arising from work performed by Contractor for City. ii. General Liability Coverage. Contractor shall maintain commercial general liability insurance in an amount not less than one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury and property damage. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. ii. This policy shall be considered primary insurance as respects the City, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have, shall be considered excess insurance only and shall not contribute with it.

iii. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

iv. The insurer waives all rights of subrogation against the City, its elected or appointed officers, officials, employees or agents.

v. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents or volunteers.

vi. The insurance provided by this Policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days written notice has been received by the City.

c. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City. At the City's option, Contractor shall demonstrate financial capability for payment of such deductibles or self-insured retentions.

19. Assignment and Subcontracting. The parties recognize that a substantial inducement to City for entering into this Agreement is the reputation, experience and competence of Contractor. Contractor shall be fully responsible to City for all acts or omissions of any subcontractors. Assignments of any or all rights, duties or obligations of the Contractor under this Agreement will be permitted only with the express consent of the City. Contractor shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the City. Each party shall have the option to strike two of the five mediators selected by JAMS and thereafter the mediator remaining shall hear the dispute. If the dispute remains unresolved after mediation, either party may commence litigation.

25. Authority to Enter Agreement. Contractor has all requisite power and authority to conduct its business and to execute, deliver, and perform the Agreement. Each party warrants that the individuals who have signed this Agreement have the legal power, right, and authority to make this Agreement and to bind each respective party. The City Manager is authorized to enter into an amendment or otherwise take action on behalf of the City to make the following modifications to the Agreement: (a) a name change; (b) grant extensions of time; (c) non-monetary changes in the scope of services; and/or (d) suspend or terminate the Agreement.

26. Prohibited Interests. Further, Contractor warrants that it has not paid nor has it agreed to pay any company or person, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, City shall have the right to rescind this Agreement without liability. For the term of this Agreement, no member, officer or employee of City, during the term of his or her service with City, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.

27. Equal Opportunity Employment. Contractor represents that it is an equal opportunity employer and it shall not discriminate against any subcontractor, employee or applicant for employment because of race, religion, color, national origin, handicap, ancestry, sex or age. Contractor agrees to fully comply with all applicable federal and state labor laws (including, without limitation, if applicable, the Prevailing Wage Laws). It is agreed by the parties that, in connection with the work or services provided pursuant to this Agreement, Contractor shall bear all risks of payment or non-payment of prevailing wages under California law, and Contractor hereby agrees to defend, indemnify, and hold the City, and its officials, officers, employees, agents, and volunteers, free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws. The foregoing indemnity shall survive termination of this Agreement.

Exclusions c. through n. do not apply to damage by fire, explosion, sprinkler leakage, or lightning to premises while rented to you, temporarily occupied by you with the permission of the owner, or managed by you under a written agreement with the owner. A separate limit of insurance applies to this coverage as described in Section III – Limits of Insurance.

If Medical Payments Coverage is provided under this policy, the following is changed:

3. Limits

The medical expense limit provided by this policy shall be the greater of:

- a. \$10,000; or

COVERAGE D. PRODUCT RECALL NOTIFICATION EXPENSES

Insuring Agreement

We will pay "product recall notification expenses" incurred by you for the withdrawal of your products, provided that:

- a. Such withdrawal is required because of a determination by you during the policy period, that the use or consumption of your products could result in "bodily injury" or "property damage"; and
- b. The "product recall notification expenses" are incurred and reported to us during the policy period.

The most we will pay for "product recall notification expenses" during the policy period is \$100,000.

SUPPLEMENTARY PAYMENTS – COVERAGES A AND B

Item b. and d. are replaced with:

- b. The cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.
- d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit" including actual loss of earnings up to \$500 a day because of time off from work.

SECTION II – WHO IS AN INSURED

 - b) coverage for the entity is not otherwise more specifically provided; and
 - c) the entity is incorporated or organized under the laws of the United States of America.

However; coverage under this provision does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the entity, or "personal injury" or "advertising injury" arising out of an offense committed before you acquired or formed the entity.

Coverage under this provision is afforded only until the end of the policy period, or the twelve (12) month anniversary of the policy inception date whichever is earlier.

SECTION III – LIMITS OF INSURANCE

Your duty to promptly notify us is effective when any of your executive officers, partners, members, or legal representatives is aware of the "occurrence", offense, claim, or "suit". Knowledge of an "occurrence", offense, claim or "suit" by other employee(s) does not imply you also have such knowledge. To the extent possible, notice to us should include:
 - 1) How, when and where the "occurrence" or offense took place;
 - 2) The names and addresses of any injured persons and witnesses; and
 - 3) The nature and location of any injury or damage arising out of the "occurrence", offense, claim or "suit".

Includes copyrighted material of Insurance Services Offices Inc., with its permission.

Item 8. is replaced with:

8. Transfer of Rights Of Recovery Against Others To Us

- a. If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring suit or transfer those rights to us and help us enforce them.
- b. If required by a written "insured contract", we waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under that written "insured contract" for that person or organization and included in the "products-completed operations hazard".

Item 10. and Item 11. are added:

10. Cancellation Condition

If we cancel this policy for any reason other than nonpayment of premium we will mail or deliver written notice of cancellation to the first Named Insured at least 60 days prior to the effective date of cancellation.

11. Liberalization

If we adopt a change in our forms or rules which would broaden your coverage without an extra charge, the broader coverage will apply to this policy. This extension is effective upon the approval of such broader coverage in your state.

SECTION V – DEFINITIONS

The following definitions are added or changed:

9. "Insured contract"

a. Is changed to:

- a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire, explosion or sprinkler leakage to premises while rented to you, or temporarily occupied by you with permission of the owner, or managed by you under a written agreement with the owner is not an "insured contract".

23. and 24. are added:

23. "Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.
24. "Product recall notification expenses" means the reasonable additional expenses (including, but not limited to, cost of correspondence, newspaper and magazine advertising, radio or television announcements and transportation cost), necessarily incurred in arranging for the return of products, but excluding costs of the replacement products and the cash value of the damaged products.

Paragraph 2. under **SECTION II – WHO IS AN INSURED** is amended to include as an insured any person or organization when you and such person or organization have agreed in writing in a contract, agreement or permit that such person or organization be added as an additional insured on your policy to provide insurance such as is afforded under this Coverage Part. Such person or organization is not entitled to any notices that we are required to send to the Named Insured and is an additional insured only with respect to liability arising out of:

- a. Your ongoing operations performed for that person or organization; or
- b. Premises or facilities owned or used by you.

With respect to provision 1.a. above, a person's or organization's status as an insured under this endorsement ends when your operations for that person or organization are completed.

With respect to provision 1.b. above, a person's or organization's status as an insured under this endorsement ends when their contract or agreement with you for such premises or facilities ends.

2. This endorsement provision A. does not apply:

- b. To "bodily injury" or "property damage" occurring after:

a. The following is added to paragraph a. Primary Insurance:

If an additional insured's policy has an Other Insurance provision making its policy excess, and you have agreed in a written "construction contract" to provide the additional insured coverage on a primary and noncontributory basis, this policy shall be primary and we will not seek contribution from the additional insured's policy for damages we cover.

For the purposes of this endorsement, "construction contract" means a written contract or written agreement other than a premises lease, facilities rental contract or agreement, an equipment rental or lease agreement, or a permit issued by a state, county, municipality or other governmental authority.

b. The following is added to paragraph b. Excess Insurance:

- (3) Except as specified in paragraph a., above, any other insurance in which a party who is an additional insured hereunder is designated as a Named Insured.

Regardless of the terms of any written agreement between you and an additional insured, this insurance is excess over any other insurance whether primary, excess, contingent or on any other basis for which the additional insured has been added as an additional insured.
