From: Jason Simpson, Assistant City Manager

Prepared by: Dave Nichols – General Service Manager

Date: March 13, 2018

Subject: Amendment No. 3 – to Increase Compensation for Contract Services (On-Call) with DM Contracting, Inc. – Project No. Z10001

Recommendation

Approve and authorize the City Manager to execute Amendment No. 3 with DM Contracting, Inc. for On-Call Contractor Services in the additional contract amount of \$50,000, bringing the total contract amount \$105,000 in the form attached and in such final form as approved by the City Attorney.

Background

On August 25, 2015 , City Council approved the award to DM Contracting Inc., for On-Call Contract Services for the Citywide Annual Curb, Gutter, and Sidewalk (CGS) Repair Program, with an option to extend the contract two addition twelve month renewal terms.

Discussion

The Annual Curb, Gutter, and Sidewalk (CGS) Repair Program is to make necessary repairs to existing facilities. Because each work order is unique, the billing will vary depending on the individual work sites. Contractor will be paid based on the bid schedule and unit prices received. Total payment to contractor will not exceed \$105,000 based on budgeted funding.

Fiscal Impact

Funds in the additional amount of \$50,000 have been allocated for the Annual Curb, Gutter, and Sidewalk (CGS) Repair Program in FY2017/2018 CIP Budget.
