13. Interest for Serving on a Commission**Please list reasons for serving**

Having worked in Elsinore for the past 21 years and resided in Elsinore for the past 5 years, I am very concerned about the safety of our residents. Almost daily, I see cars running red lights. I have seen many car accidents and we have had students hit by cars on their way to and from school. As I walk to work and walk the neighborhood for exercise, I see countless code enforcement issues. As our city continues to expand and grow, it is important that we address these issues and look forward to putting policies in place to keep our residents and visitors safe. I also feel that as a resident, it is my responsibility to volunteer and give back to my community. I have volunteered with Boy Scouts, PTA and School Site Council for over a decade. As my own children are moving on to college next year, my volunteer role as a parent are coming to an end. Lake Elsinore has so much potential and I would like the opportunity to be part of making our community the best it can be.
