

PROJECT DESCRIPTION

Below are some the statistics as far as staffing and general number of jumps. The special events listed happen on an annual basis and are generally for experienced skydivers traveling to the area as a time to gather and create new flying challenges.

We offer Tandem skydiving experienced as well as offer instruction to learn to skydive as a sport. Experienced and licensed skydivers gather and train at Skydive Elsinore.

Skydive Elsinore operates seven days per week and Monday through Friday 8-sunset or 5pm based on the number of customers and on the weekends 7:30 - sunset. Sometimes in the summer months we will close on Tuesday's.
