

## **REPORT TO CITY COUNCIL**

**To: Honorable Mayor and Members of the City Council**

**From: Grant Yates, City Manager**

**Prepared by: Catherine Eakins – Public Works Administration Assistant**

**Date: June 12, 2018**

**Subject: Amendment No. 3 With Hazzard Backflow, Co. – Increase Compensation and Extend Contract Services for FY2018-2019**

### **Recommendation**

Approve and authorize the City Manager to extend execute Amendment No. 3 to the Hazzard Backflow Contract in the additional contract amount of \$60,000, bringing the total contract amount \$72,000, and extend the term of the contract for an additional 12-months in the form attached and in such final form as approved by the City Attorney.

### **Background**

The City has been contracting with Hazzard Backflow, Co., since November 2014, for backflow services. Hazzard Backflow test 100 backflow devices each year, and repairs damaged or/and missing devices.

### **Discussion**

The Public Works department has experienced an increase in the vandalism and theft of the backflow devices over recent years and now feels it is necessary and cost effective to have Hazzard Backflow install stainless steel vandal resistant backflow cages to 30 of the 100 devices. The cost to have the cages installed is \$59,800 (See Exhibit A attached).

### **Fiscal Impact**

Funds have been identified in the Parks FY2018-2019 Operating Budget.

### **Exhibits**

- Hazzard Backflow – Exhibit A – Estimate
- Hazzard Backflow – Exhibit B – Amendment No. 3
- Hazzard Backflow – Exhibit C – Amendment No. 2
- Hazzard Backflow – Exhibit D – Amendment No. 1
- Hazzard Backflow – Exhibit E – Original Agreement
