Section 2. MATERIALS AND WORKMANSHIP.

When Exhibit “A” to an Appendix specifies machinery, equipment or material by manufacturer, model or trade name, no substitution will be made without WRCOG’s and the applicable Member Agency’s written approval. Machinery, equipment or material installed in the Equipment without the approval required by this Section 2 will be deemed to be defective material for purposes of Section 4. Where machinery, equipment or materials are referred to in Exhibit “A” to each Appendix as equal to any particular standard, WRCOG will decide the question of equality subject to prior written approval from the relevant Member Agency. When requested by WRCOG, Contractor will furnish WRCOG with the name of the manufacturer, the performance capabilities and other pertinent information necessary to properly determine the quality and suitability of any machines, equipment and material to be incorporated in the Equipment. Material samples will be submitted at WRCOG’s request.

Section 3. INSPECTIONS AND TESTS.

WRCOG and any Member Agency shall have the right to inspect and/or test the Equipment prior to acceptance. If upon inspection or testing the Equipment or any portion thereof are found to be nonconforming, unsatisfactory, defective, of inferior quality or workmanship, or fail to meet any requirements or specifications contained in Exhibit “A” to any Appendix, then without prejudice to any other rights or remedies, WRCOG or the applicable Member Agency may reject the Equipment or exercise any of its rights under Section 4.C. The inspection, failure to make inspection, acceptance of goods, or payment for goods shall not impair WRCOG’s or the applicable Member Agency’s right to reject nonconforming goods, irrespective of WRCOG’s or the applicable Member Agency’s failure to notify Contractor of a

rejection of nonconforming goods or revocation of acceptance thereof or to specify with particularity any defect in nonconforming goods after rejection or acceptance thereof.

Section 4. WARRANTY.

A. Contractor warrants that the Equipment will be of merchantable quality and free from defects in design, engineering, material and workmanship for a period of two (2) years, or such longer period as provided by a manufacturer's warranty or as agreed to by Contractor and WRCOG (through the RFQ process or otherwise) subject to prior written approval from the relevant Member Agency, from the date of final written acceptance of the Equipment by WRCOG as required for final payment under Section 7. Contractor further warrants that any services provided in connection with the Equipment will be performed in a professional and workmanlike manner and in accordance with the highest industry standards.

B. Contractor further warrants that all machinery, equipment or process included in the Equipment will meet the performance requirements and specifications specified in Exhibit "A" to each Appendix and shall be fit for the purpose intended. WRCOG's and any applicable Member Agency's inspection, testing, approval or acceptance of any such machinery, equipment or process will not relieve Contractor of its obligations under this Section 4.B.

C. For any breach of the warranties contained in Section 4.A and Section 4.B, Contractor will, immediately after receiving notice from WRCOG or the applicable Member Agency, at the option of WRCOG or the applicable Member Agency, and at Contractor's own expense and without cost to WRCOG or the applicable Member Agency:

1. Repair the defective Equipment;
2. Replace the defective Equipment with conforming Equipment, F.O.B. WRCOG's plant, office or other location of WRCOG where the Equipment was originally performed or delivered, including the applicable Member Agency's site; or
3. Repay to WRCOG or the Applicable Member Agency the purchase price of the defective Equipment.

If WRCOG or the applicable Member Agency selects repair or replacement, any defects will be remedied without cost to WRCOG or the applicable Member Agency, including but not limited to, the costs of removal, repair and replacement of the defective Equipment, and reinstallation of new Equipment. All such defective Equipment that is so remedied will be similarly warranted as stated above. In addition, Contractor will repair or replace other items of the Equipment which may have been damaged by such defects or the repairing of the same, all at its own expense and without cost to WRCOG or the applicable Member Agency.

D. Contractor also warrants that the Equipment is free and clear of all liens and encumbrances whatsoever, that Contractor has a good and marketable title to same, and that Contractor owns or has a valid license for all of the proprietary technology and intellectual property incorporated within the Equipment. Contractor agrees to indemnify, defend and hold

WRCOG and all Member Agencies harmless against any and all third party claims resulting from the breach or inaccuracy of any of the foregoing warranties.

E. In the event of a breach by Contractor of its obligations under this Section 4, WRCOG and any Member Agency will not be limited to the remedies set forth in this Section 4, but will have all the rights and remedies permitted by applicable law, including without limitation, all of the rights and remedies afforded to WRCOG and any Member Agency under the California Commercial Code.

F. Notwithstanding the foregoing, Contractor shall comply with all warranty requirements included in the RFQ. To the extent any of the warranty requirements in this Section 4 conflict with those in the RFQ, the provisions of the RFQ will prevail.

Section 5. PRICES.

Unless expressly provided otherwise, all prices and fees specified in Exhibit "C;" to each Appendix, attached hereto and incorporated herein by reference, are firm and shall not be subject to change without the written approval of WRCOG and the applicable Member Agency. No extra charges of any kind will be allowed unless specifically agreed to in writing by WRCOG's authorized representative and the applicable Member Agency. The total price shall include (i) all federal, state and local sales, use, excise, privilege, payroll, occupational and other taxes applicable to the Equipment furnished to WRCOG and the Member Agencies hereunder; and (ii) all charges for packing, freight and transportation to destination.

Section 6. CHANGES.

WRCOG and any applicable Member Agency, at any time, by a written order, and without notice to any surety, may make changes in the Equipment, including but not limited to, WRCOG's requirements and specifications. If such changes affect the cost of the Equipment or time required for its performance, an equitable adjustment will be made in the price or time for performance or both. Any change in the price necessitated by such change will be agreed upon between WRCOG, the applicable Member Agency, and Contractor and such change will be authorized by a change order document signed by WRCOG and the applicable Member Agency and accepted by Contractor.

Section 7. PAYMENTS.

A. Terms of payment, are net thirty (30) days, less any applicable retention, after receipt of invoice, or completion of applicable Progress Milestones for Member Agencies. Final payment shall be made by WRCOG or the applicable Member Agency after Contractor has satisfied all contractual requirements. Payment of invoices shall not constitute acceptance of Equipment.

B. If Progress Milestones have been specified Exhibit "B;" to any Appendix, then payments for the Equipment will be made as the requirements of such Progress Milestones are met. Progress payments for the Equipment will be made by WRCOG or the applicable Member Agency upon proper application by Contractor during the progress of the Equipment and according to the terms of payment as specified in Exhibit "B;" of the applicable Appendix.

Contractor's progress billing invoice will include progress payments due for the original scope of work and changes. Each "Item for Payment" shown in Exhibit "B" to each Appendix and each change order will be itemized on the invoice. Invoices for cost plus work, whether part of Exhibit "B" to any Appendix or a change order, must have subcontractor and/or supplier invoices attached to Contractor's invoice. Other format and support documents for invoices will be determined by WRCOG and the applicable Member Agency in advance of the first invoice cycle.

C. Payments otherwise due may be withheld by WRCOG or any Member Agency on account of defective Equipment not remedied, liens or other claims filed, reasonable evidence indicating probable filing of liens or other claims, failure of Contractor to make payments properly to its subcontractors or for material or labor, the failure of Contractor to perform any of its other obligations under the Agreement, or to protect WRCOG or any Member Agency against any liability arising out of Contractor's failure to pay or discharge taxes or other obligations. If the causes for which payment is withheld are removed, the withheld payments will be made promptly. If the said causes are not removed within a reasonable period after written notice, WRCOG or the applicable Member Agency may remove them at Contractor's expense.

D. Payment of the final Progress Milestone payment or any retention will be made by WRCOG or the applicable Member Agency upon:

1. Submission of an invoice for satisfactory completion of the requirements of a Progress Milestone as defined in Exhibit "B" to each Appendix and in the amount associated with the Progress Milestone;
2. Written acceptance of the Equipment by WRCOG and the applicable Member Agency;
3. Delivery of all drawings and specifications, if required by WRCOG or the applicable Member Agency;
4. Delivery of executed full releases of any and all liens arising out of this Agreement; and
5. Delivery of an affidavit listing all persons who might otherwise be entitled to file, claim or maintain a lien of any kind or character, and containing an averment that all of the said persons have been paid in full.

If any person refuses to furnish an actual release or receipt in full, Contractor may furnish a bond satisfactory to WRCOG and the applicable Member Agency to indemnify WRCOG and the applicable Member Agency against any claim or lien at no cost to WRCOG or the applicable Member Agency.

E. Acceptance by Contractor of payment of the final Progress Milestone payment pursuant to Section 7.D will constitute a waiver, release and discharge of any and all claims and demands of any kind or character which Contractor then has, or can subsequently acquire against WRCOG or the applicable Member Agency, their successors and assigns, for or on account of any matter or thing arising out of, or in any manner connected with, the performance of this

Agreement. However, payment for the final Progress Milestone by WRCOG or the applicable Member Agency will not constitute a waiver, release or discharge of any claims or demands which WRCOG or the applicable Member Agency then have, or can subsequently acquire, against Contractor, its successors and assigns, for or on account of any matter or thing arising out of, or in any manner connected with, the performance of this Agreement.

Section 8. SCHEDULE FOR DELIVERY.

A. The time of Contractor's performance is of the essence for this Agreement. The Equipment will be delivered to the Member Agencies in accordance with the schedule set forth in Exhibit "B:" to the applicable Appendix. Contractor must immediately notify WRCOG and the applicable Member Agency in writing any time delivery is behind schedule or may not be completed on schedule. In addition to any other rights WRCOG or the applicable Member Agency may have under this Agreement or at law, Contractor shall pay WRCOG or the applicable Member Agency the sum of \$0.00 per item of Equipment for each calendar day for which the item of Equipment is unavailable beyond the scheduled delivery date(s) specified in Exhibit "B" to the applicable Appendix.

B. In the event that the Equipment is part of a larger project or projects that require the coordination of multiple contractors or suppliers, then Contractor will fully cooperate in scheduling the delivery so that WRCOG and the applicable Member Agency can maximize the efficient completion of such project(s).

C. In the event that the schedule for delivery for any Member Agency's Equipment as identified in Exhibit "B" to any Appendix is delayed, for any reason whatsoever including through the fault of WRCOG or the Member Agency, the delay shall not be used as a reason for delay on the part of the Contractor in meeting the schedule for delivery for any other Member Agency's Equipment.

Section 9. TAXES.

A. Contractor agrees to timely pay all sales and use tax (including any value added or gross receipts tax imposed similar to a sales and use tax) imposed by any federal, state or local taxing authority on the ultimate purchase price of the Equipment provided under this Agreement.

B. Contractor will withhold, and require its subcontractors, where applicable, to withhold all required taxes and contributions of any federal, state or local taxing authority which is measured by wages, salaries or other remuneration of its employees or the employees of its subcontractors. Contractor will deposit, or cause to be deposited, in a timely manner with the appropriate taxing authorities all amounts required to be withheld.

C. All other taxes, however denominated or measured, imposed upon the price of the Equipment provided hereunder, will be the responsibility of Contractor. In addition, all taxes assessed by any taxing jurisdiction based on Contractor property used or consumed in the provision of the Equipment such as and including ad valorem, use, personal property and inventory taxes will be the responsibility of Contractor.

D. Contractor will, upon written request, submit to WRCOG and to each Member Agency written evidence of any filings or payments of all taxes required to be paid by Contractor hereunder.

Section 10. INDEPENDENT CONTRACTOR.

Contractor enters into this Agreement as an independent contractor and not as an employee of WRCOG or any Member Agency. Contractor shall have no power or authority by this Agreement to bind WRCOG or any Member Agency in any respect. Nothing in this Agreement shall be construed to be inconsistent with this relationship or status. All employees, agents, contractors or subcontractors hired or retained by the Contractor are employees, agents, contractors or subcontractors of the Contractor and not of WRCOG or any Member Agency. Neither WRCOG nor any Member Agency shall be obligated in any way to pay any wage claims or other claims made against Contractor by any such employees, agents, contractors or subcontractors or any other person resulting from performance of this Agreement.

Section 11. SUBCONTRACTS.

Unless otherwise specified, Contractor must obtain WRCOG's written permission before subcontracting any portion of the Equipment. WRCOG's permission shall be subject to prior written approval from the relevant Member Agency. Except for the insurance requirements in Section 13.A, all subcontracts and orders for the purchase or rental of supplies, materials or equipment, or any other part of the Equipment, will require that the subcontractor be bound by and subject to all of the terms and conditions of the Agreement. No subcontract or order will relieve Contractor from its obligations to WRCOG or the Member Agencies, including, but not limited to Contractor's insurance and indemnification obligations. No subcontract or order will bind WRCOG or any Member Agency.

Section 12. TITLE AND RISK OF LOSS.

The applicable Member Agency will have title to, and risk of loss of, all completed and partially completed portions of the Equipment, as well as materials delivered to and stored on WRCOG or Member Agency property which are intended to become a part of the Equipment automatically and immediately upon the payment by WRCOG or the Member Agency or their agents or designees (whether directly or through an escrow account disbursement or otherwise) therefor. However, Contractor will be liable for any loss or damage to the Equipment and/or the materials caused by Contractor or its subcontractors, their agents or employees, and Contractor will replace or repair said Equipment or materials at its own cost to the complete satisfaction of WRCOG and the applicable Member Agency. Notwithstanding the foregoing, in the event that WRCOG or a Member Agency has paid Contractor for all or a portion of the Equipment which remains in the possession of Contractor, then the applicable Member Agency (and/or its lender) shall have title to, and the right to take possession of, such Equipment at any time following payment therefor. Risk of loss for any Equipment which remains in the possession of Contractor shall remain with Contractor until such Equipment has been delivered or WRCOG or the applicable Member Agency has taken possession thereof. Contractor will have risk of loss or damage to Contractor's property used in the construction of the Equipment but which does not become a part of the Equipment.

Section 13. INDEMNIFICATION.

A. Contractor shall defend, indemnify and hold WRCOG and all Member Agencies, WRCOG's and the Member Agencies' officials, officers, employees, volunteers and agents free and harmless from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury, in law or equity, to property or persons, including wrongful death, in any manner arising out of or incident to any alleged acts, omissions, negligence or willful misconduct of Contractor, its officials, officers, employees, agents, subcontractors and subconsultants arising out of or in connection with the Equipment or the performance of this Agreement, including without limitation the payment of all consequential damages and attorneys' fees and other related costs and expenses except such loss or damage which was caused by the sole negligence or willful misconduct of WRCOG or the applicable Member Agency.

B. Contractor's defense obligation for any and all such aforesaid suits, actions or other legal proceedings of every kind that may be brought or instituted against WRCOG or any Member Agency, WRCOG's and the Member Agency's officials, officers, employees, agents or volunteers shall be at Contractor's own cost, expense and risk.
