*Foreclosure Covenant*

The District covenants with and for the benefit of the Owners of the District Bonds that the District will review the public records of the County of Riverside, California not later than July 1 of each year to determine the amount of Special Tax collected in the prior fiscal year; and with respect to individual delinquencies, if the District determines that any single property owner subject to the Special Tax is delinquent in the aggregate of \$2,500 or more or if any single delinquent parcel represents more than 5% of the aggregate Special Taxes within the District then the District will cause to be sent a notice of delinquency (and a demand for immediate payment thereof) to the property owner within 45 days of such determination, and (if the delinquency remains uncured) the District will cause judicial foreclosure proceedings to be filed in the superior court within 90 days of such determination against any property for which the Special Taxes remain delinquent.

The property in the District is also subject to several overlapping liens. A default in the payment of Special Taxes in the District is also likely to result in a default in the payment of other overlapping liens. Since the liens of other overlapping special districts are on parity with the Special Taxes, the foreclosure of the lien of the Special Taxes will not extinguish the liens of the other overlapping special districts.

As a result of the foregoing, in the event of a delinquency or nonpayment by the property owners of one or more Special Tax installments, there can be no assurance that there would be available to the District sufficient funds to pay when due the principal of, interest on and premium, if any, on the District Bonds.

*Collection and Foreclosure Actions (13B Section 4f)(15B Section 4b)*

The Mello-Roos Act Community Facilities Act of 1982 (the "Act") provides that delinquent property may not be sold at a judicial foreclosure sale for less than the amount of the judgment plus past judgment interest and authorized costs without the consent of the owners of 75% by value of the Outstanding Bonds.

In the event of a failed sale, the property owner retains title to the Property. The judgment remains, however, and will be updated from time to time. When the CFD Administrator believes that there is a reasonable possibility that the foreclosure sale might be a successful sale, the property can be re-noticed for sale. In the event a buyer comes forward prior to that time with a bona fide offer at a price below the current requirements of the law, the County will evaluate the possibility of taking that offer to the bondholders for approval.

**There are currently no foreclosure actions pending in the District.**
