Community Facilities District No. 2005-5 (Villages at Wasson Canyon) Local Agency Revenue Bonds 2012 Series A

Project Description

The District was formed in August, 2005 for the purpose of acquiring or constructing public improvements needed to meet increased demand upon the City as a result of development within the boundaries of the District, including streets, streetscape, storm drains, City fees, and fees of the Elsinore Valley Municipal Water District. The development includes 190 residential units at build-out.

Location

The District is located in an area known as Rosetta Hills, which is southeast of Highway 74 and northeast of Interstate 15, and generally encompasses the residential community known as the "Villages at Wasson Canyon".

2012 Series A Bonds (Section 4a)

The 2012 Series A Bonds (the "Bonds") in the amount of \$3,450,000 were issued July 17, 2012, with interest rates ranging from 1.50% to 5.25%. Interest is payable semi-annually on March 1 and September 1. The date for the final maturity of the Bonds is September 1, 2038. The principal amount of the Bonds Outstanding as of September 30, 2018 was \$3,100,000.

A portion of the Bonds, along with other funds, were issued to redeem the Local Agency Revenue Bonds for the Villages at Wasson Canyon, 2008 Series B ("the 2008 Series B Bonds") in the principal amount of \$3,265,000, all of which remained outstanding at the time of redemption. The Bonds were also issued to fund the Reserve Account and to pay the expenses in connection with the issuance of the Bonds.

There are no remaining unissued Bonds authorized for the District.

Rate and Method of Apportionment

There were no changes to the Rate and Method of Apportionment during Fiscal Year 2017-18.

¹ Assessed Valuation (AV) is based on information provided in the Riverside County Assessor's records as of January 1, 2018 and may not accurately reflect true market value. ² December 20, 2017 CFD 2005-6 IA A refunded and issued additional bonds through Lake Elsinore School Financing Authority Special Tax Revenue Bonds, 2017 Series A.

Delinquencies are calculated through August 2018. The delinquency summary tables below provide an overview of delinquency rates for previous years.

Foreclosure Covenant

The District has covenanted for the benefit of the owners of the Bonds that the District will review the records of the County of Riverside, California, in connection with the collection of the Special Tax not later than July 1 of each year to determine the amount of Special Tax collected in the prior fiscal year; and, with respect to individual delinquencies, if the District determines that any single property owner subject to the Special Tax is delinquent in the payment of Special Taxes in the aggregate of \$1,000 or more or that as to any single parcel the delinquent Special Taxes represent more than 5% of the aggregate Special Taxes within the District, then the District will send or cause to be sent a notice of delinquency (and a demand for immediate payment thereof) to the property owner within 45 days of such determination, and (if the delinquency remains uncured) the District will cause judicial foreclosure proceedings to be filed in the superior court within 90 days of such determination against any property for which the Special Taxes remain delinquent.

The property in the District is also subject to several overlapping liens. A default in the payment of Special Taxes in the District is also likely to result in a default of the other overlapping liens. Since the overlapping liens are on a parity with the Special Taxes, the foreclosure of the lien of the Special Taxes will not extinguish the lien of the other overlapping special districts.

As a result of the foregoing, in the event of a delinquency or nonpayment by the property owners of one or more Special Tax installments, there can be no assurance that there would be available to the District sufficient funds to pay when due the principal of, interest on and premium, if any, on the District Bonds.

Collection and Foreclosure Actions (Section 4e)

The Mello-Roos Act provides that delinquent property may not be sold at a judicial foreclosure sale for less than the amount of the judgment plus past judgment interest and authorized costs without the consent of the owners of 75% by value of the Outstanding Bonds.

In the event of a failed sale, the property owner retains title to the Property. The judgment remains, however, and will be updated from time to time. When the CFD Administrator believes that there is a reasonable possibility that the foreclosure sale might be a successful sale, the property can be re-noticed for sale. In the event a buyer comes forward prior to that time with a bona fide offer at a price below the current requirements of the law, the County will evaluate the possibility of taking that offer to the bondholders for approval.

There are no foreclosure actions at this time.

Reserve Fund (Section 4b)

The Reserve Fund must be maintained at the Reserve Requirement which is defined, as of any date of calculation, as an amount equal to the least of (a) 10% of the total original principal amount of the Bonds, (b) Maximum Annual Debt Service on the Outstanding Bonds, or (c) 125% of average Annual Debt Service on the Outstanding Bonds. Provided, however, the Reserve Requirement on any calculation date shall not be greater than the Reserve Requirement amount on the closing date, \$272,887.50. In the event that Special Tax revenue is insufficient to pay debt service, money may be transferred from this Fund to the appropriate account of the Bond Fund. The Reserve Fund will then be replenished by increasing the next year's Special Tax levy to the extent permitted by law. As of September 30, 2018 the balance in the Reserve Fund was \$264,679.68 and the Reserve Requirement was \$264,325.00.
