**STANDARD TERMS & CONDITIONS:**

1) Although TMI maintains standard general liability, workers compensation, and other insurance coverages, additional costs may be incurred for the issuance of insurance certificates that require special wording, endorsements, or additional coverages or policy changes. 2) Information provided herein should be relied on for estimating purposes only. 3) This estimate is based on information available and/or provided at the time of the estimate request, such as current permit rates and requirements from public agencies, and is subject to change without notice. 4) TMI reserves the right to modify this estimate should the scope of the project change or additional information is provided. 5) Unless otherwise specified, individual line items and rates are based on acceptance of the estimate as a whole. Significant changes in quantities, addition/deletion of line-items, or selection of single line-items may result in price changes. 6) Prices are valid for up to 60 days. 7) All orders for standard traffic control and equipment (without permit or posting requirements), will require at least three working days advance notice; additional time may be required for non-standard and/or large scale traffic control. General availability of traffic control is

not guaranteed and is subject to availability and schedule of TMI crews and equipment. Allow up to 14 working days for traffic plan turn-around (from time of order to initial submittal.) Agency approval and turn-around time of traffic control plans may vary and cannot be guaranteed. 8) Permit approval and timeline often vary from Agency to Agency and no guarantee of approval or approval timeline is represented. 9) Compensation will be charged for jobs that require special safety training requirements and security clearance. 10) Unless stated otherwise, this estimate is based on work being performed during normal field working hours (7:00am to 3:30pm) Monday through Friday. Additional costs will be incurred and invoiced for after hours work, weekend and/or holidays. 11) ACCEPTANCE OF THIS ESTIMATE: Unless otherwise agreed in writing, acceptance of this estimate shall authorize TMI to perform all work as stated, and this document shall serve as the binding contract, subject to the terms and conditions herein. 12) FUEL SURCHARGE: A fuel surcharge may be applied to any services requiring travel, transportation or mobilization. 13) RENTAL PROTECTION PROGRAM: All rental orders will be automatically enrolled in Rental Protection Plan (RPP) unless opted out by customer. If customer opts out of RPP, customer assumes sole responsibility for damaged or lost equipment. RPP is not available for registered motor vehicles such as TMA's and traffic control trucks. RPP surcharge will only be applied to equipment rental charges, and not be applied to delivery, installation, removal, or other labor and service charges. RPP Coverage Exclusions: Lost, stolen, or missing equipment; damage resulting from customer misuse or negligence; damages of any kind to third parties.
