

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Grant Yates, City Manager

Prepared By: Nicole Dailey, Assistant to the City Manager

Date: September 24, 2019

SUBJECT: Amendment No. 1 – Service Contract with Louie Tozser Design, Inc.

Recommendation

Authorize the City Manager to execute Amendment No. 1 to the Service Contract between the City of Lake Elsinore and Louie Tozser Design, Inc for an additional amount not to exceed \$15,623 in such final form as approved by the City Attorney.

Background

In September 2018, the City entered into a Service Contract with the Louie Tozser Design, Inc to design, fabricate, deliver and install light sculptures for the new Historic Main Street Parking Lot. Louie Tozser Design, Inc. specializes in providing customized interior and exterior decoration products such as Acrylic Lightening, Custom Wall Art, Steel Sculptures, Couches, Tables and much more. The company has a talented design team and is from Riverside, California.

Discussion

Part of the design of the light sculptures included the custom design of six (6) art panels, one for each side of each light sculpture. As directed by the Economic Development Subcommittee, staff worked with a variety of local artists to develop six unique, artistic designs for fabrication. All designs were reviewed and approved by the subcommittee.

The next step is to digitize the artwork and allow for the metal fabrication of each art panel. These additional costs were not included in the original scope of services for Louie Tozser Design. The proposed amendment provides the funding needed to complete and finalize these art pieces. These structures will be located on Main Street at the corner of Heald Avenue and at the corner of Peck Avenue. Staff is anticipating installation sometime in the middle of October.

Fiscal Impact

Amendment No. 1 with Louie Tozser Design, Inc. is for an amount not to exceed \$15,623, which will be paid from the Fiscal Year 2019/2020 Operating Budget.
