

REPORT TO CITY COUNCIL

To: Honorable Mayor and Members of the City Council

From: Grant Yates, City Manager

Prepared by: Catherine Eakins – Public Works Administration Assistant

Date: January 28, 2020

Subject: Agreement with Full Circle Construction for Fire Station 85, 94, and 97 Paint Projects

Recommendation

Approve and authorize the City Manager to execute the Agreement with Full Circle Construction in the amount of \$56,170, in the form attached and in such final form as approved by the City Attorney.

Background

McVicker Park Fire Stations 85 built in 2002, Canyon Hills Fire Station 94 built 2004 and Rosetta Fire Station 97 built in 2010, have not had any renovations carried out to the buildings since their construction. Chief Lonny Olson has requested Fire Station 85 and 94 have the exterior of the buildings repaired where cracks have appeared and be painted; Fire Station 97 to have the garage doors painted.

Discussion

City staff solicited three (3) quotes from General Contractors. Staff recommends entering into a contract with Full Circle Construction based upon their price quote for this project.

| Vendor | Quote Amount |
|--------------------------|---------------------|
| Full Circle Construction | \$56,170 |
| J & L Construction | Unresponsive |
| Maples & Associates | \$71,300 |

Fiscal Impact

Funds are available for this project in the CIP Building Facilities Renovations Project #: Z20005
