b. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Consultant the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination of the Agreement pursuant to this Section, the Consultant will submit an invoice to the City, pursuant to Section entitled "Method of Payment" herein.

7. Ownership of Documents. All plans, studies, documents and other writings prepared by and for Consultant, its officers, employees and agents and subcontractors in the course of implementing this Agreement, except working notepad internal documents, shall become the property of the City upon payment to Consultant for such work, and the City shall have the sole right to use such materials in its discretion without further compensation to Consultant or to any other party. Consultant shall, at Consultant's expense, provide such reports, plans, studies, documents and other writings to City upon written request. a. Licensing of Intellectual Property. This Agreement creates a nonexclusive and perpetual license for City to copy, use, modify, reuse, or sublicense any and all copyrights, designs, and other intellectual property embodied in plans, specifications, studies, drawings, estimates, and other documents or works of authorship fixed in any tangible medium of expression, including but not limited to, physical drawings or data magnetically or otherwise recorded on computer diskettes, which are prepared or caused to be prepared by Consultant under this Agreement ("Documents & Data"). Consultant shall require that all subcontractors agree in writing that City is granted a nonexclusive and perpetual license for any Documents & Data the subcontractor prepares under this Agreement. Consultant represents and warrants that Consultant has the legal right to license any and all Documents & Data. Consultant makes no such representation and warranty in regard to Documents & Data which were prepared by design professionals other than Consultant or provided to Consultant by the City. City shall not be limited in any way in its use of the Documents & Data at any time, provided that any such use not within the purposes intended by this Agreement shall be at City's sole risk.

b. Confidentiality. All ideas, memoranda, specifications, plans, procedures, drawings, descriptions, computer program data, input record data, written information, and other Documents & Data either created by or provided to Consultant in connection with the performance of this Agreement shall be held confidential by Consultant. Such materials shall not, without the prior written consent of City, be used by Consultant for any purposes other than the performance of the services under this Agreement. Nor shall such materials be disclosed to any person or entity not connected with the performance of the services under this Agreement. Nothing furnished to Consultant which is otherwise known to Consultant or is generally known, or has become known, to the related industry shall be deemed confidential. Consultant shall not use City's name or insignia, photographs relating to project for which Consultant's services are rendered, or any publicity pertaining to the Consultant's services under this Agreement in any magazine, trade paper, newspaper, television or radio production or other similar medium without the prior written consent of City.

8. Consultant's Books and Records.

a. Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services, or expenditures and disbursements charged to City for a minimum period of three (3) years, or for any longer period required by law, from the date of final payment to Consultant to this Agreement.

b. Consultant shall maintain all documents and records which demonstrate performance under this Agreement for a minimum period of three (3) years, or for any longer period required by law, from the date of termination or completion of this Agreement.

c. Any records or documents required to be maintained pursuant to this Agreement shall be made available for inspection or audit, at any time during regular business hours, upon written request by the City Manager, City Attorney, City Auditor or a designated representative of these officers. Copies of such documents shall be provided to the City for inspection at City Hall when it is practical to do so, or such other mutually agreed upon location.

d. Where City has reason to believe that such records or documents may be lost or discarded due to dissolution, disbandment or termination of Consultant's business, City may, by written request by any of the above-named officers, require that custody of the records be given to the City and that the records and documents be maintained in City Hall. Access to such records and documents shall be granted to any party authorized by Consultant, Consultant's representatives, or Consultant's successor-in-interest.

9. Independent Contractor. It is understood that Consultant, in the performance of the work and services agreed to be performed, shall act as and be an independent contractor and shall not act as an agent or employee of the City.

10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other federal, state and local laws, codes, ordinances and regulations to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

11. Interests of Consultant. Consultant (including principals, associates and professional employees) covenants and represents that it does not now have any investment or interest in real property and shall not acquire any interest, direct or indirect, in the area covered by this Agreement or any other source of income, interest in real property or investment which would be affected in any manner or degree by the performance of Consultant's services

hereunder. Consultant further covenants and represents that in the performance of its duties hereunder no person having any such interest shall perform any services under this Agreement.

Consultant is not a designated employee within the meaning of the Political Reform Act because Consultant:

a. will conduct research and arrive at conclusions with respect to his/her rendition of information, advice, recommendation or counsel independent of the control and direction of the City or of any City official, other than normal agreement monitoring; and

b. possesses no authority with respect to any City decision beyond rendition of information, advice, recommendation or counsel. (FPPC Reg. 18700(a)(2).)

12. Professional Ability of Consultant. City has relied upon the professional training and ability of Consultant to perform the services hereunder as a material inducement to enter into this Agreement. Consultant shall therefore provide properly skilled professional and technical personnel to perform all services under this Agreement. All work performed by Consultant under this Agreement shall be in accordance with applicable legal requirements and shall meet the standard of quality ordinarily to be expected of competent professionals in Consultant's field of expertise.

13. Compliance with Laws. Consultant shall use the standard of care in its profession to comply with all applicable federal, state and local laws, codes, ordinances and regulations.

14. Licenses. Consultant represents and warrants to City that it has the licenses, permits, qualifications, insurance and approvals of whatsoever nature which are legally required of Consultant to practice its profession. Consultant represents and warrants to City that Consultant shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement, any licenses, permits, insurance and approvals which are legally required of Consultant to practice its profession. Consultant shall maintain a City of Lake Elsinore business license.

15. Indemnity. Consultant shall indemnify, defend, and hold harmless the City and its officials, officers, employees, agents, and volunteers from and against any and all losses, liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to property, or any violation of any federal, state, or municipal law or ordinance, to the extent caused, in whole or in part, by (i) the willful misconduct or negligent acts or omissions of Consultant or its employees, subcontractors, or agents which are in furtherance of or otherwise arise from the services and work described in Consultant's Proposals, (ii) acts for which they could be held strictly liable which are in furtherance of or otherwise arise from the services and work described in Consultant's Proposals, or (iii) the quality or character of their work as contemplated by this Agreement. The foregoing obligation of Consultant shall not apply when (1) the injury, loss of life, damage to property, or violation of law arises from the sole negligence or willful misconduct of the City or its officers, employees, agents, or volunteers and (2) the actions of Consultant or its employees, subcontractor, or agents have contributed in no part to the injury, loss of life, damage to property, or violation of law. It is understood that the duty of Consultant to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Consultant from liability under this indemnification and hold harmless clause. This

indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Consultant acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

16. Insurance Requirements.

a. Insurance. Consultant, at Consultant's own cost and expense, shall procure and maintain, for the duration of the contract, unless modified by the City's Risk Manager, the following insurance policies.

i. Workers' Compensation Coverage. Consultant is a sole proprietor and is exempt from Worker's Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California as set forth in the Certificate of Exemption from Workers Compensation Insurance attached hereto as Exhibit C and incorporated herein by reference. Consultant shall require each subcontractor to maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California for all of the subcontractor's employees or, if exempt from such coverage, to submit to the City a Certificate of Exemption from Workers Compensation Insurance in substantially the form of Exhibit C. To the extent applicable, any notice of cancellation or non-renewal of all Workers' Compensation policies must be received by the City at least thirty (30) days prior to such change. The insurer shall agree to waive all rights of subrogation against City, its officers, agents, employees and volunteers for losses arising from work performed by subcontractors for City.

ii. General Liability Coverage. Consultant shall maintain commercial general liability insurance in an amount not less than one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury and property damage. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Required commercial general liability coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (ed. 11/88) or Insurance Services Office form number GL 0002 (ed. 1/73) covering comprehensive General Liability and Insurance Services Office form number GL 0404 covering Broad Form Comprehensive General Liability. No endorsement may be attached limiting the coverage.

iii. Automobile Liability Coverage. Consultant shall maintain automobile liability insurance covering bodily injury and property damage for all activities of the Consultant arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired and non-owned vehicles, in an amount of not less than one million dollars (\$1,000,000) combined single limit for each occurrence. Automobile liability coverage must be at least as broad as Insurance Services Office Automobile Liability form CA 0001 (ed. 12/90) Code 1 ("any auto"). No endorsement may be attached limiting the coverage.

which may arise from Consultant's services under this Agreement, whether such services are provided by the Consultant or by its employees, subcontractors, or sub consultants. The amount of this insurance shall not be less than one million dollars (\$1,000,000) on a claims-made annual aggregate basis, or a combined single limit per occurrence basis.

b. Endorsements. Unless otherwise approved in writing by the City's risk manager, each general liability and automobile liability insurance policy shall be with insurers possessing a Best's rating of no less than A:VII and shall be endorsed with the following specific language:

i. The City, its elected or appointed officers, officials, employees, agents and volunteers are to be covered as additional insured with respect to liability arising out of work performed by or on behalf of the Consultant, including materials, parts or equipment furnished in connection with such work or operations.

ii. This policy shall be considered primary insurance as respects the City, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have, shall be considered excess insurance only and shall not contribute with it.

iii. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

iv. The insurer waives all rights of subrogation against the City, its elected or appointed officers, officials, employees or agents.

v. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents or volunteers.

vi. The insurance provided by this Policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days written notice has been received by the City.

c. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City. At the City's option, Consultant shall demonstrate financial capability for payment of such deductibles or self-insured retentions.

Current certification of insurance shall be kept on file with the City at all times during the term of this Agreement.

17. Notices. Any notice required to be given under this Agreement shall be in writing and either served personally or sent prepaid, first class mail. Any such notice shall be addressed to the other party at the address set forth below. Notice shall be deemed communicated within 48 hours from the time of mailing if mailed as provided in this section.

Consultant shall be fully responsible to City for all acts or omissions of any subcontractors. Assignments of any or all rights, duties or obligations of the Consultant under this Agreement will be permitted only with the express consent of the City. Except for conservation biologist services as specified in the Consultant's B3 Proposal, Consultant shall not subcontract any portion of the work to be performed under this Agreement without the written authorization of the City. 21. Waiver. Waiver of a breach or default under this Agreement shall not constitute a continuing waiver of a subsequent breach of the same or any other provision under this Agreement.

22. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

23. Controlling Law Venue. This Agreement and all matters relating to it shall be governed by the laws of the State of California and any action brought relating to this Agreement shall be held exclusively in a state court in the County of Riverside.

24. Litigation Expenses and Attorneys' Fees. Each party shall have the option to strike two of the five mediators selected by JAMS and thereafter the mediator remaining shall hear the dispute. If the dispute remains unresolved after mediation, either party may commence litigation.

26. Execution. This Agreement may be executed in several counterparts, each of which shall constitute one and the same instrument and shall become binding upon the parties when at least one copy hereof shall have been signed by both parties hereto. In approving this Agreement, it shall not be necessary to produce or account for more than one such counterpart.

27. Authority to Enter Agreement. Consultant has all requisite power and authority to conduct its business and to execute, deliver, and perform the Agreement. Each party warrants that the individuals who have signed this Agreement have the legal power, right, and authority to make this Agreement and to bind each respective party. The City Manager is authorized to enter into an amendment or otherwise take action on behalf of the City to make the following modifications to the Agreement: (a) a name change; (b) grant extensions of time; (c) non-monetary changes in the scope of services; and/or (d) suspend or terminate the Agreement.

28. Prohibited Interests. Consultant maintains and warrants that it has not employed nor retained any company or person, other than a bona fide employee working solely for Consultant, to solicit or secure this Agreement. Further, Consultant warrants that it has not paid nor has it agreed to pay any company or person, other than a bona fide employee working solely for Consultant, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, City shall have the right to rescind this Agreement without liability. For the term of this Agreement, no member, officer or employee of City, during the term of his or her service with City, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.

29. Equal Opportunity Employment. Consultant represents that it is an equal opportunity employer and it shall not discriminate against any subcontractor, employee or applicant for employment because of race, religion, color, national origin, handicap, ancestry, sex or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.

30. Prevailing Wages. Consultant is aware of the requirements of California Labor Code Section 1720, et seq., and 1770, et seq., as well as California Code of Regulations, Title

8, Section 16000, et seq., ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on "public works" and "maintenance" projects. Consultant agrees to fully comply with all applicable federal and state labor laws (including, without limitation, if applicable, the Prevailing Wage Laws). It is agreed by the parties that, in connection with the Work or Services provided pursuant to this Agreement, Consultant shall bear all risks of payment or non-payment of prevailing wages under California law, and Consultant hereby agrees to defend, indemnify, and hold the City, and its officials, officers, employees, agents, and volunteers, free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws. LETTERLY ENVIRONMENTAL & LAND PLANNING MANAGEMENT
BACK BASIN BIOLOGICAL COMPLIANCE PROGRAM (B3 PROGRAM)

PHASE 1 SCOPE

1 31 19

Revised 4 29 19

Overview

The Phase 1 scope will produce a detailed implementation plan outline, including a schedule of target dates and staffing plan, for developing the “Back Basin Biological Compliance Program” (“B3 Program”). The B3 Program will address all natural resource regulatory issues within the Back Basin. The B3 Program is intended to both:

- resolve any pending issues or dissatisfaction among the “Resources Agencies” with prior mitigation projects previously mandated within the Back Basin pursuant to the Lake Management Plan USACE Section 404 Permit (LMP Section 404 Permit); the Lake Management Plan CDFW Streambed Alteration Agreement (LMP SAA); and state and federal Resources Agencies’ permits for all public and private development projects in the Back Basin.
- streamline compliance of future development projects proposed under the East Lake Specific Plan (ELSP) with permitting requirements of all Resources Agencies that may have jurisdiction to issue permits for developments and/or accept mitigation projects within the Back Basin, including particularly:
 - CDFW under the Streambed Alteration Agreement provisions of the Cal. Fish and Game Code; as well as
 - USACE under Section 404 of the Clean Water Act,;
 - USFWS and CDFW under the MSHCP;
 - RCA under the 770-acre Plan; and
 - The Santa Ana RWQCB, either in connection with the existing 401 Certification or pursuant to new regulations proposed by the State Water Resources Control Board that will mandate a statewide permitting program for discharges of dredge and fill to “waters of the state,” as will be defined in the future and which may include some or all of the back basin area.

Development of B3 Program Detailed Implementation Plan Outline

The detailed implementation plan outline produced under Phase 1 will set the framework for developing the B3 Program, and establish the path and activities necessary to achieve all the following objectives:

1. Obtain agreement of all Resources Agencies to a single B3 Program. The B3 Program is envisioned primarily as a phased mitigation land and/or a mitigation bank or in-lieu fee type of program, but would also address compliance with flood capacity related conditions, as necessary to identify, and implement enhancement, ongoing management and additional conservation of back basin mitigation lands required to attain and constituting:

- full and complete satisfaction of all prior mitigation commitments under the Lake Management Plan Permits;
- full and complete satisfaction of all prior individual development project mitigation commitments, including those issued for the Summerly development;
- mitigation for all impacts of all future development projects proposed in substantial compliance with the East Lake Specific Plan Amendment No. 11 (ELSP) and the B3 Program to any environmental or biological resources, and/or to flood capacity and flood control improvements within the Back Basin.
- full and complete satisfaction of MSHCP requirements and the City's MSHCP 770-acre Open Space Plan.

2. Obtain issuance from each of the Resources Agencies of a general permit or similar instrument, allowing for permit coverage of future project-specific development activities within the back basin,¹ and commencement of future project construction, on a streamlined basis and in accordance with specific time periods, upon:

- submission by the developer of a "Substantial Compliance Demonstration" showing development plans in substantial compliance with the ELSP and implementation of the developer's fair share land and/or fee contribution to a Back Basin Wide preserved mitigation area totaling approximately 770 acres via developer land and/or fee dedication obligations specified in the B3 Program; and
- subsequent issuance by each of the Resources Agencies with jurisdiction of a "Substantial Compliance Determination" authorizing development pursuant to the Resources Agency issued General Permit.

3. Create a B3 Program with streamlined timeframes for processing development clearances under the Back Basin General Permits: Developers would only be required to submit

¹ While the implementation plan will focus on the B3 Program for the back basin, opportunities for broadening the program to encompass other lake shore areas that may arise during implementation, will be considered by the City's team and pursued if advantageous, on balance, to the City's future build out.

Substantial Compliance Demonstration documents to single point of contact, such as the RCA, and would receive, within certain specified time periods, concrete feedback, and ultimately clearances and coverage of proposed development under the Back Basin General Permits from the Resources Agencies.

4. Outline the B3 Program management framework for establishing an ongoing conservation program that includes the following:

A. a Definition over time of 770 acres of back basin mitigation lands, which will be defined in a manner that builds upon lands already dedicated as mitigation, and considers the back basin areas most likely to serve as mitigation in light of the goals, objectives and requirements of the ELSP;

B. A mechanism to provide for ultimate assemblage, management and conservation in perpetuity of 770-acres of biologically valuable and desirable mitigation land;

C. A mechanism for the collection of funds for ongoing enhancement and management, of those lands;

CD A mechanism for the collection of funds for further enhancement of prior mitigation areas already dedicated within the back basin as necessary to reasonably “fix” such mitigation in the eyes of the agencies (regardless of the rational basis for the agencies dissatisfaction); and

5. Outline steps that might be taken to identify grant funding and other sources or methods for funding the development and implementation of the B3 Program that might be pursued by the City

Phase 1 Work Product

1. Development of the first draft of a detailed B3 Program implementation outline, including a schedule of target dates and staffing plan.

2. Engage in up to 2 meetings with City staff, City attorney and special counsel to consider the first draft of the implementation outline.

3. Prepare the final draft of the detailed B3 Program implementation outline.

4. Present the final draft of the detailed B2 Program implementation outline to City Council as directed by Staff and the City attorney.

Please note that any amounts payable for the first renewal bill will not include an installment fee (unless you have an unpaid balance from a previous policy period, in which case the Minimum Amount Due will include an installment fee, or unless you are participating in the Allstate Easy Pay Plan). The following applies to installment payments made after your first renewal bill.

If you decide to pay your premium in installments, there will be a \$3.50 installment fee charge for each payment due. If you make 6 installment payments during the policy period, and do not change your payment plan method, then the total amount of installment fees during the policy period will be \$21.00.

If you are on the Allstate® Easy Pay Plan, there will be a \$1.00 installment fee charge for each payment due. If you make 6 installment payments during the policy period, and remain on the Allstate® Easy Pay Plan, then the total amount of installment fees during the policy period will be \$6.00.

If you change payment plan methods or make additional payments, your installment fee charge for each payment due and the total amount of installment fees during the policy period may change or even increase.

Please note that the Allstate® Easy Pay Plan allows you to have your insurance payments automatically deducted from your checking or savings account.

Reasons for Extension, Cancellation or Nonrenewal

California law requires Allstate to provide you with reasons why your policy may be extended, canceled or nonrenewed or your premium increased.

Allstate may cancel or nonrenew your policy for one or more of the following reasons:

- Nonpayment of premium;
- Fraud or material misrepresentation affecting the policy or the insured; or
- Substantial increase in the hazard we insure against.

In addition, your policy may be nonrenewed or your premium may be increased for any of the following reasons:

- Accident involvement by an insured and whether the insured is at fault in the accident;
- A change in, or addition of, an insured vehicle;
- A change in, or addition of, an insured under the policy;
- A change in the location of garaging of an insured vehicle;
- A change in the use of an insured vehicle;
- Conviction for violating any provision of the Vehicle Code or Penal Code relating to the operation of a motor vehicle;
- The payment made by an insurer due to a claim filed by an insured or a third party;
- Any other reason that is lawful and not unfairly discriminatory.

Accidents and convictions for violating any provision of the Vehicle Code or Penal code relating to the operation of a motor vehicle that occur within the 36-month period ending on the effective date of the policy may lead to an increase of your premium. You have the right to be informed, upon your request, of any increase in premium, in whole or in part, charged to you because of an accident or conviction.

Under certain circumstances, if we fail to send your renewal offer at least 20 days prior to your renewal effective date or if we fail to send your nonrenewal notice at least 30 days prior to the nonrenewal effective date, California law requires us to extend your existing policy term for 30 days from the date the notice is mailed or delivered to you.

Other Uninsured Motorist Coverage Options

Your policy has been issued with the coverages and options you requested. Please refer to the enclosed Policy Declarations to verify that your policy has been issued according to your requests.

However, please be aware that you still have options concerning coverage for damages to your insured auto that you are legally entitled to recover from the owner or operator of an uninsured motor vehicle.

The following options are available **for each vehicle under your policy**. Please see your Policy Declarations to determine your current coverages for each of your vehicles.

- If your vehicle is insured for Auto Collision Insurance, we are offering a Waiver of your Collision Coverage Deductible to apply when the vehicle is damaged in an accident caused by an uninsured motor vehicle.
- If your vehicle is not insured for Auto Collision Insurance and is insured for Uninsured Motorists Insurance for bodily injury, we are offering you the opportunity to extend your Uninsured Motorists Insurance to cover property damage.
- You still have the option of rejecting either the Waiver of Collision Coverage Deductible or Uninsured Motorists Insurance for property damage, or both coverages.

If a vehicle insured under your policy is damaged by an uninsured motor vehicle and you are legally entitled to recover damages, we will, depending on the coverage you purchase, either:

- Pay the collision deductible on the insured motor vehicle when you have purchased collision coverage, or
- Pay for the damage to the insured motor vehicle when you have not purchased collision coverage but have purchased Uninsured Motorists Insurance for property damage.

Payment shall not include damage to personal property or loss of use of a motor vehicle and shall not exceed the smaller of:

- The amount of the collision deductible,
- The actual cash value of the insured motor vehicle,
- \$3500.

The law also permits you to reject these coverages completely.

If you would like to purchase one of these coverages or make any other changes concerning these coverage options, please call your Allstate Agent.

Voluntary Provider Networks

We want to let you know about a program that may be available to you.

If you, or anyone covered under your policy, is injured in a loss covered under your auto policy, a Voluntary Provider Network may be available to you. A Voluntary Provider Network includes a variety of participating medical providers that can treat those injuries.

Voluntary Provider Networks maintain lists of their participating providers. In the event that you experience a loss, your claims representative can provide you with contact information for any participating Allstate networks that may be available in your state at that time.

You are under no obligation to use a medical provider who is a member of one of these networks, and you are free to seek medical services from a provider of your choice. There is no penalty if you choose a provider outside the network. If you are

injured and treated by a provider who is a member of one of the participating networks, we may review their bills for covered medical services for re-pricing based on the approved rate for that provider's network.

You do not need to make a choice about these networks at this time. Please keep in mind that using a provider within a network should not be considered a confirmation that you have coverage. This notice is for informational purposes only.
