

## *Public Works Week*

*WHEREAS, public works professionals focus on infrastructure, facilities and services that are of vital importance to sustainable and resilient communities and to the public health, high quality of life and well-being of the people of the City of Lake Elsinore;*

*WHEREAS, these infrastructure, facilities and services could not be provided without the dedicated efforts of public works professionals, who are engineers, managers and employees at all levels of government and the private sector, who are responsible for rebuilding, improving and protecting our nation's transportation, water supply, water treatment and solid waste systems, public buildings, and other structures and facilities essential for our citizens;*

*WHEREAS, it is in the public interest for the citizens, civic leaders and children in the City of Lake Elsinore to gain knowledge of and to maintain a progressive interest and understanding of the importance of public works and public works programs in their respective communities;*

*WHEREAS, the year 2020 marks the 60th Annual National Public Works Week;*

*NOW, THEREFORE, the City Council of the City of Lake Elsinore, California, does hereby proclaim the week of May 17 through May 23, 2020, as Public Works Week in the City of Lake Elsinore and urges all citizens to join with representatives of the American Public Works Association and government agencies in activities, events, and ceremonies designed to pay tribute to our public works professionals, engineers, managers, and employees and to recognize the substantial contributions they make to protecting our national health, safety, and quality of life.*
